LinkedIn: linkedin.com/in/isuru-akash

## PROFESSIONAL SUMMARY

A software engineering student with hands-on experience developing full-stack web and Android applications, REST APIs, authentication features, and database-driven workflows. Has built academic and personal projects using React, Node.js, Express.js, MySQL, C#, ASP.NET Core, Java, and Firebase. A student looking for a software engineering internship to apply these skills in a collaborative development team.

## TECHNICAL SKILLS

**Programming:** Java, C#, JavaScript, PHP, SQL, C++

**Frontend & Backend:** HTML5, CSS3, React.js, Node.js, Express.js, ASP.NET Core, REST APIs

**Databases & Cloud:** MySQL, SQL Server, SQLite, Firebase Authentication, Cloud Firestore

**Tools & Concepts:** Git, GitHub, VS Code, Visual Studio, Android Studio, OOP, database design

## ACADEMIC & PERSONAL PROJECTS

**SiteVision - Construction Management Platform** | React, Node.js, Express.js, MySQL

- Built multi-role workflows for clients, construction companies, supervisors and suppliers, including project requests, quotations and progress tracking.
- Worked with a relational MySQL database and supplier quotation, material reporting and final-report workflows.

**KMC - Event Management Platform** | C#, ASP.NET Core, SQL Server, JWT

- Developed an event-management web application covering organizer workflows, registrations, bookings and ticket-related functionality.

**PrintXpress - Android Printing Service App** | Java, Android Studio, Firebase

- Created customer ordering, design-upload and order-tracking features, plus admin management screens using Firebase services.

**GlobeTrek - Travel Booking System** | PHP, MySQL, JavaScript

- Built travel-package browsing, booking and account workflows with staff/admin dashboards and a MySQL backend.

**Personal Developer Portfolio** | React.js, Vite, EmailJS, Vercel

- Designed and deployed a responsive React portfolio featuring project showcases, interactive navigation, and an EmailJS-powered contact form.

## EDUCATION

**Diploma in Software Engineering** | International College of Business and Technology (ICBT) | 2025–2026
